1. On 15 March 1955, two additional groups of DSU barges left Fuerstenberg/Oder for Wroclaw (Breslau), Poland. These two groups totaled about 15 barges. The barges were towed by tugs and were scheduled to travel day and night until they reached Wroclaw. The DSU is under pressure to bring Polish coal to the Berlin/Klittenberg power plant as soon as possible.
2. The return trip to East Germany from Wroclaw was to be made with tugs, but there were to be scheduled stopping places for overnight stays. The locations of these stops have not been established but it is assumed that they would be at Krosno (Krossen) and Steinawa (Steinau a. Oder).
1. Comment: Deutsche Schiffsahrts- und Umschlagsbetriebszentrale (East German Shipping and Transloading Office).
